# ABOUT THE ROKANE!

## ROKANE TILE IS ONE OF THE LEADING MANUFACTURERS OF GLAZED VITRIFIED TILES IN MORBI, INDIA.

Rokane Tile is known for its different and wide range of surface collections which consist of latest technical properties as well as innovative and unique designs.

Our innovative spirit has helped us to create a diverse market appropriate product range that is an extremely useful tool for architects, interior designers and builders alike. We believe in technological innovations and making tile manufacturing progressively safer and more eco-friendly by offering eco-sustainable ceramic products to the customers.

## TRAVERTINO CARVING COLLECTION

TRAVERNTINO Carving Collection celebrates the artistry of hand-sculpted surfaces, blending traditional craftsmanship with modern design. Each piece showcases intricate carved details that highlight depth, dimension, and texture echoing the character of natural materials shaped by skilled artisans. The refined matt finish enhances the tactile relief while maintaining a sophisticated, understated look.

These surfaces offer a perfect balance of heritage and innovation, combining visual richness with long lasting durability, easy maintenance, and resistance to everyday wear. Ideal for interiors that seek timeless elegance with a handcrafted touch whether in residential or commercial settings.

# TECHNICAL FEATURES

Near-zero porosity ratings prevent water absorption and stain penetration, delivering long-term durability with minimal maintenance requirements.

The optimized lightweight formulation streamlines installation procedures while ensuring structural stability. High-performance UV inhibitors protect the carved surface details and dimensional features, maintaining aesthetic excellence and design impact despite extended solar radiation exposure.
