ABOUT THE ROKANE!

**ROKANE TILE IS ONE OF
THE LEADING MANUFACTURERS
OF GLAZED VITRIFIED TILES IN
MORBI, INDIA.**

Rokane Tile is known for its different and wide range of surface collections which consist of latest technical properties as well as innovative and unique designs.

Our innovative spirit has helped us to create a diverse market appropriate product range that is an extremely useful tool for architects, interior designers and builders alike. We believe in technological innovations and making tile manufacturing progressively safer and more eco-friendly by offering eco-sustainable ceramic products to the customers.

SEMI **HIGH GLOSS** COLLECTION

The Semi-High Gloss Collection balances elegance and subtle sophistication, offering a polished surface that reflects light softly without overwhelming the space. Each design enhances depth and dimension, creating an inviting and contemporary atmosphere. From rich, muted tones to refined neutrals, these surfaces convey understated luxury and modern style.

The gentle sheen accentuates details with clarity while maintaining a softer, more approachable aesthetic. Practical as well as beautiful, the finish is durable, easy to clean, and resistant to daily wear and moisture, making it an ideal choice for kitchens, wardrobes, wall panels, and commercial interiors that demand both style and functionality.

TECHNICAL FEATURES

Near-zero porosity ratings prevent water absorption and stain penetration, delivering long-term durability with minimal maintenance requirements.

The optimized lightweight formulation streamlines installation procedures while ensuring structural stability. High-performance UV inhibitors protect the carved surface details and dimensional features, maintaining aesthetic excellence and design impact despite extended solar radiation exposure.
