WOODMATT COLLECTION

The Wood Matt collection authentically replicates natural wood's beauty with a contemporary matte finish. Each surface captures organic grain patterns, knots, and textures of genuine timber—from rich walnut and oak to lighter birch varieties.

The matte treatment eliminates glare while enhancing tactile quality, creating a warm, inviting aesthetic. These surfaces combine timeless wood appeal with modern durability, easy maintenance, and resistance to moisture and wear, perfect for both residential and commercial spaces.

WOOD CARVING

COLLECTION

The Wood Carving collection features tiles that beautifully imitate natural wood surfaces enhanced with delicate carved patterns etched directly onto the surface.

These intricate etchings follow and accentuate the wood grain, creating a dimensional effect that mimics the veins and texture of hand-carved timber. Each tile combines the warmth of authentic wood aesthetics with artisanal detailing, adding depth and character to any space. The carved patterns catch light and shadow, creating visual interest while maintaining the organic flow of natural wood grain.
