ABOUT THE ROKANE!

ROKANE TILE IS ONE OF THE LEADING MANUFACTURERS OF GLAZED VITRIFIED TILES IN MORBI, INDIA.

Rokane Tile is known for its different and wide range of surface collections which consist of latest technical properties as well as innovative and unique designs.

Our innovative spirit has helped us to create a diverse market appropriate product range that is an extremely useful tool for architects, interior designers and builders alike. We believe in technological innovations and making tile manufacturing progressively safer and more eco-friendly by offering eco-sustainable ceramic products to the customers.

CARVING COLLECTION

The Carving collection showcases the artistry of intricate craftsmanship through refined, three-dimensional surface designs. Each panel features elegant carved patterns inspired by natural forms and architectural geometry, adding depth, texture, and visual sophistication to any interior.

Enhanced with precision detailing and a balanced matte-sheen finish, these surfaces play beautifully with light and shadow, creating a dynamic yet harmonious aesthetic. The collection merges artisanal character with modern performance offering exceptional durability, easy maintenance, and resistance to scratches and wear. Perfect for feature walls, furniture applications, and statement design elements in both residential and commercial spaces.

TECHNICAL FEATURES

Near-zero porosity ratings prevent water absorption and stain penetration, delivering long-term durability with minimal maintenance requirements.

The optimized lightweight formulation streamlines installation procedures while ensuring structural stability. High-performance UV inhibitors protect the carved surface details and dimensional features, maintaining aesthetic excellence and design impact despite extended solar radiation exposure.
